All That You Can't Leave Behind

"You're packing
a suitcase for a
place none of us
have been

A place that has
to be believed to
be seen

You could have
flown away a
singing bird in an
open cage

Who will only
fly, only fly, for
freedom

The only
baggage you can
bring

Is all that you
can't leave
behind"

—U2

The moments we've spent together are the times we cherish the most. For years we have built memories with each other but there comes time when we must say good bye. And when that day arrives we will know that the only thing we need is

All That You Can't Leave Behind

Dedication

Maybe you could educate my mind...

Dr. Houde

"Dr. Houde was especially talented in providing leadership that developed strengths in both teachers and students."

-Mr. McCowan

Mrs. Majors

"Mrs. Majors, you taught us so much more than mytosis. Thanks for helping us to find our love for biology"

-Alexandra Bassett & Taylor Landis

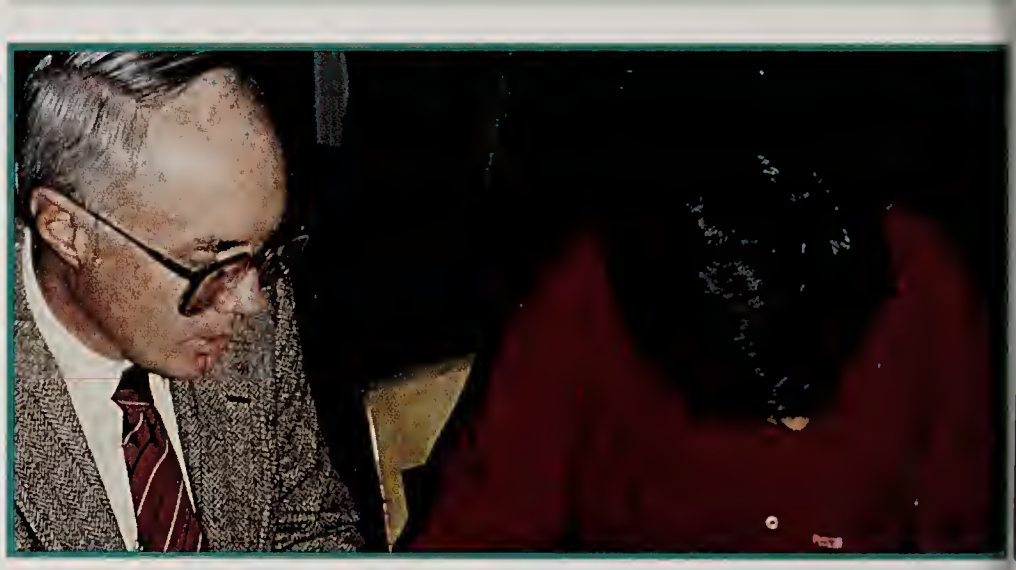
Mr. Ryan

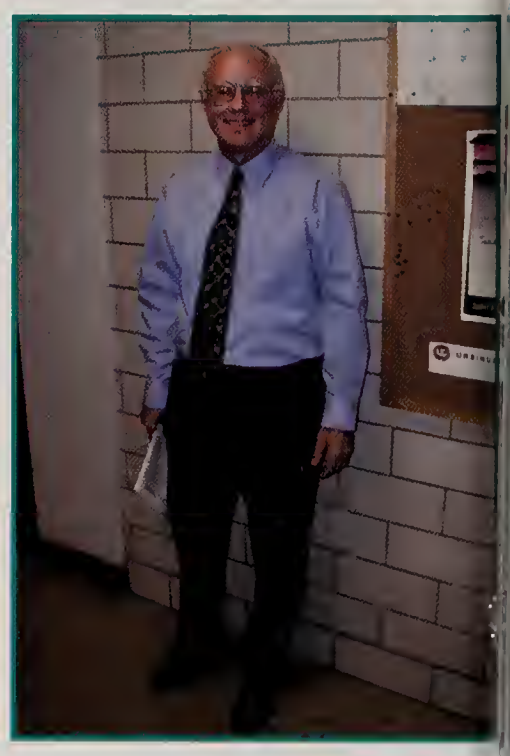
"Mr. Ryan was always interested in the well being of the student. He looked beyond grades and deeper into who the person was."

-Alison Armour

Dr. Houde

From being Chairman of the Mathematics Department to Assistant Superintendent of Curriculum, Dr. Houde has always played a part in Weston High School. For thirty years he has been involved with the students and has always worked for their benefit. As Chairman of the Math Department, Dr. Houde was instrumental in innovating new programs such as transformational geometry. He also worked to integrate Geometric Supposer, which later became Geometer Sketchpad, into the curriculum. His consistent effort and awareness for the students as Weston High School will not be forgotten.





Mrs. Majors

Mrs. Majors will always be remembered for her dedication to the environment. Her thirty years of service as a teacher and advisor has made her well known by both faculty and students. Never willing to waste a piece of paper, Mrs. Majors was a strong advocate for the preservation of nature and what it gives us. As advisor to the club, Students for Environmental Action, she played a large role in restoring recycling to the school and beginning the development of the Courtyard. She not only taught her students biology she gave them a desire to preserve what they have. We are sure to miss her dedication in these areas.

Mr. Ryan

Mr. Ryan was always there to lend an ear when a student needed to talk. His love for the students made him an amazing guidance counselor, co-worker and friend. As head of the guidance department for the past few years, Mr. Ryan has taken part in the lives of many students. Influential in the human relations groups and a member of the community chorus, he was even willing to help outside of school. From organizing schedules to writing recommendations, we can never forget all the hard work he put in. His dedication to the students will certainly be missed and we hope he visits often.

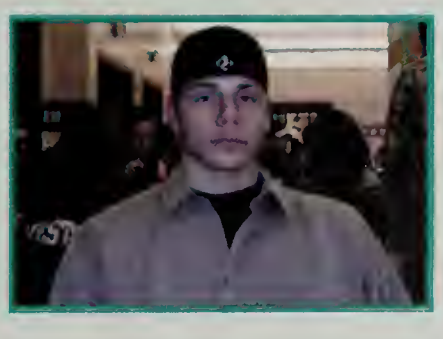
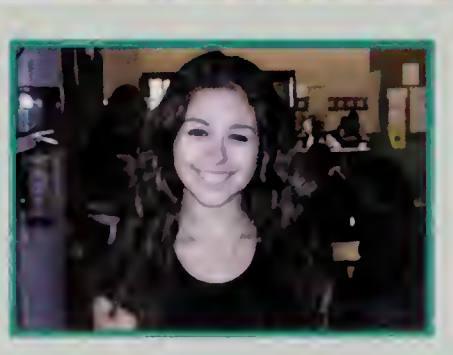
Jess Friedman
"Jackson Mann, because it was great working with the kids and going into Boston."

Allison Curtis
"City Year, it was an all day event and we got to help children make their city a better learning enviornment."



Dave Warren
"The car wash, because it was a great bonding experience for the class."



Elizabeth Kalemos
"The Junior Auction because we were able to donate a percentage of our proceeds to the September 11th Fund."

Celebrating Stars and Stripes

Junior Auction

The Class of 2003 will never forget the memories from their Junior Auction. Following the events of September 11th, members of the class were in agreement that the Auction needed a patriotic flair. In accordance with this feeling the Auction theme became "Celebrating Stars and Stripes" and the class decided to donate 20% of its proceeds to the September 11th Fund. The event itself was quite successful, raising a record-breaking amount to put towards the charity and senior trip. The success of the evening, however, cannot take away from the experience the class had and the bond that was

COOPERATING CO-CHAIRS. Peter Orth and Alex Racioppi, Co-chairs of the Junior Auction, did a wonderful job working together and using their power to produce a memorable class fundraiser.

READY TO HAGGLE. Auctioneers, Michelle Archambault and J.J. Hearty worked together to convince parents to hold up their plates and purchase items during the Live Auction.

TICKETS FOR SALE. Ms. Katz and Virginia Brasco of the Correspondence Committee sell tickets and programs to parents entering the Auction.

THE D.J. DUO. Aaron Pring and Warren Brown never missed a beat as they kept the music rolling with some patriotic tunes.

FINANCIAL WIZARDS. Matt Huttner, Mike Posa, Mark Lurie, James McNear, Phil Katz and Matt Dallos worked hard before, during and after the Auction to [illegible] cash flow from the event.

GETTING ORGANIZED. Cathy Symonds, Alex White and Teddy Lee, all part of the Silent Auction Committee, try their best to get things prepared and together for buyers to take home.

GOING ONCE, GOING TWICE...SOLD! Eric Butts and Dave Warren work hard to sell off a signed Patriots football. There may have been more takers if the audience had known that the Pats would be Superbowl champs in a month.

Phil Katz

Prom Co-Chair

"Being Prom Co-chair was one of the greatest experiences in my high school career. It allowed me to see how much work goes into producing such a grand event. The opportunity also allowed me to get to know the class mothers better as well as become more aquainted with my classmates."

Victoria Zimmerman

Prom Co-Chair

"I really enjoyed being Prom Co-chair. It gave me the opportunity to lead the class and watch everyone work together. Seeing the final product on Prom night was amazing and I'm glad that I was able to have such a responsibility."

NATURE'S CHARM. Vanessa Hsia, Jennifer Wilson, Jennifer St. Mary and Ali Bassett soon found out that handmade decorations were cheaper and gave an authenticity to the Prom that could not be bought in stores.

THE FINISHING TOUCHES. Helen Emery and Samantha Chen decorate candles to make them more formal and presentable for the weekend festivity.

READY AND WILLING. Treasurer, Matt Dallos, seen here getting water for the pools of the Secret Garden, was willing to help in anyway he could to set up for Prom.

The Secret Garden

Junior Prom 2002

Construction on the Town Hall left the Class of 2003 searching for a place to hold the Prom. After many suggestions the decision was made to have it in a tent outside the newly constructed Recreation Center. With that issue settled the next question was the theme and "The Secret Garden" was soon agreed upon. Knowing that this would take a lot of work the entire class enthusiastically volunteered to set up and decorate. The participation from the class made the evening flow quite smoothly. May 11, 2002 was a night to remember as members of the class danced the night away in The Secret Garden.

GLAMOUR GIRLS. Cheryl Gerber, Allison Peters, Courtney Clark-Sousa and Jocelyn Tse looked absolutely stunning on Prom night.

ARE WE AT THE OSCARS? Alison Armour, Cathy Slaughter and Bridget Appe looked like they could have been attending the Golden Globe Awards.

"It's up to each and every one of us to turn loose of just some of the greed, the hatred, the envy and, yes, the insecurities. Because that is the central mode of control: make us feel pathetic, small, so we'll willingly give up our sovereignty, our liberty, our destiny. We have got to realize we're being conditioned on a mass scale. Start challenging this corporate slave-state!"

My last four years in Weston High have been the most significant years in my entire life. It is different, the life here in Weston and the life in HongKong. I am so **lucky** that I got this chance to move here. I really *appreciate* all those people who supported me from the beginning 'til the end, taught me how to **survive** in this new place and guide d me to become a better human being. If I have to name those people who I wanted to say "thanks", I guess it would be the entire senior list. I have learned something from each one of you. I really need to say thankyou to my parents. They work so hard everyday to support me in Weston I realize that I cannot pay them back in everyway.

Hackey-sack lingo, rockitos, gameday, jamming, steak, friends, dave barry, boxing, shirtless foosball, LAN parties, smash bros, france, family dinners with seating arrangements, ping-pong, and other tomfoolery. Without it, high school would have been boring and...well...way too productive.

After four long years, High School has come to a close. I'm looking forward to college, but I'm sad to leave all my friends (there is not enough room in this quote to list everyone, and I don't believe in the abbreviation business. You know who you are, and my thoughts are with you). Thanks to all my teachers and to my parents for making these four years all that they were. Good luck to everyone in college, and in the rest of your lives.

To my parents: I can't even begin to say how much you have done for me and all that you have given me. Thank you for always being there, I love you.

To my sister: Thanks for putting up with me, you have always been my best friend. Good luck in high school, I love you.

There have been so many other people that have made my life better and continue to make my life better everyday. It wouldn't be fair for me to even try to mention everyone, you know who you are, I couldn't have done it without you, you mean so much to me, thank you and good luck.

My 10 years in Weston have finally have been a great experience. Thank you to all of the people that have helped me throughout my time in school. Thank you to my parents for all your support, and thank you all of my Weston teachers, you've all taught me so much. Yes, sometimes I made people laugh, but to tell the truth, if I could do it all again, I wouldn't change anything. Good luck to the rest of my class. I'll see you when I see you!

To my parents, I owe you everything, if it weren't for your love, I would have never made it this far. To my bro and sis, you have made my years growing up as a child very special, I love you. CLASS OF 2004

'05 Two years to survive...

This year, the class of 2005 was hard at work increasing class participation. With new events and social gatherings, they were able to increase class spirit, as well as raising class funds. With Michael Libert, Alene Aftandilian, Marie Grant, Liz Callow, and Carissa Couper heading the class government, they held successful events such as the December Holiday Dance, the Special Olympics, the Class Raffle, and the Sophomore Semi-Formal. Hopefully, the class of 2005 will continue to enrich the High School experience for both the students in this class, as well as students in other classes.

HARD WORK. The Sophomore Class officers, Michael Libert (missing from photo), Marie Grant, Liz Callow, and Alene Aftandilian; Faculty Advisors, Mr. Moon and Mr. Mathers and Parent Advisors, Mrs. Korsmeyer and Mrs. Wake work hard to lead their class.

'06 Three years to get our kicks...

In the fall, the freshman class officers coordinated a class pot-luck supper; it was a opportunity for families to get to know one another. Soon afterward, freshman volunteers helped out with the Fall Fling. The class organized a community service partnership with the Weston Council on Aging, with many freshmen regularly helping senior citizens with outdoor chores (such as raking or shoveling), as well as indoor activities (i.e., reading aloud) outside of school. Many freshmen participated in a fun ice skating trip on first Wednesday, March 5, to Frog Pond in Boston Common. The class community service events were the Walk for Hunger and a trip to the Waltham Boys and Girls Club to help out with various chores. The class conducted diverse fund-raisers such as school spirit stickers, bake sales, raffle ticket sales at school sporting events, and much more. As of December, the class had a budget of $1500.

TOUGH WORK. The Freshman class officers, Tim Wells, Jessica Young, James Mayo-Smith, and Amy Bond have spent many early mornings organizing activities for their peers. They receive a lot of help from their faculty advisors, Mrs. Gugliotta and Mr. Pires; and parent advisors, Mrs. Rubash and Mrs. Venables.

Cross Country

This year, both the Girls and Boys Cross Country teams showed their excellence through strong running performances and wonderful team efforts. The Boys team, led by three seniors, Mark Lurie, Kareem Reda and Tom Stuart was very successful. The eleven underclassmen were also very helpful in gaining a variety of team and individual wins. The Girls team was also very triumphant. Led by seniors Elizabeth Charpie, Emily Collinson, Gayatri Datar and Alexandra Boyle, the close knit group of girls experienced many fun and exciting times this season. Underclassmen, Lane Marder, Christiana Glenn, Marga Hutcheson and Catherine Riffin all contributed immensely to the team. Combined, the Girls and Boys Cross Country teams had a great season, full of memories, winning races and individual successes. Good luck to next year's teams, we know you'll go far.

BIG STRIDES. Catherine Riffin and Lane Marder were an essential part of the Girls Cross Country team. Their ability to perform truly displayed their amazing athletic abilities.

ALWAYS HAVING FUN. Emily Collinson, co-captain with Elizabeth Charpie, completes the last leg of the race. She has proven to be a great captain with her leadership skills and devotion to the team.

A PACK OF THE BEST! Four of Weston's great male runners, Pat Bagley, Ben Fox, Dan Fox and Kareem Reda, stay in a pack, helping to pace each other during one of their key meets.

FINISHING STRONG. Asaad Bhamla pushes himself to the end of the race in an attempt to outrun his opponent. This kind of determination and stamina could be seen in all members of the Cross Country Team this season.

Field Hockey

These opportunities come once in a lifetime.

The Field Hockey team had an amazing season. We were very successful in achieving our goals and were undefeated DCL champs, North Sectional champs, and Eastern Mass. champs. We advanced to the State Finals, where we lost in double overtime. The record was an astonishing 22-1-1. We were so succesful due to each player's determination, intensity and passion for the sport. We were lucky to have ten seniors helping lead our team. Everyone stepped up when it counted, especially our goalie, Elise Patterson. Senior tri-captains, Michelle Archambault, Colleen Ferguson and Julie Lane, played key roles in helping the team both on and off the field. Coach Galopim was crucial, and was awarded the honor of being Boston Globe's Coach of the year.

We would like to thank all of our fans for their endless support and commitment to our team - they stayed with us all the way to the State Finals! Good luck next year, girls! Keep the tradition alive!

PROUD TO BE CAPTAINS. Captains Michelle Archambault, Julie Lane, and Colleen Ferguson hold the North Sectional Championship trophy after beating Reading 2-0 in the state tournament.

An Up and Down Season

Football

Although we didn't have a winning record, we played hard and earned respect from all of our opposing teams. Next year's team has a lot of talent and should have a winning season with a strong veteran core returning.

—Jon Fine

This season was tough. There were so many games we should have won but didn't, which was disappointing. Many games were lost within a few points, but it showed that our team never gave up. Even with a tough record, we had lots of fun times playing and that's all that really matters.

—Jon Hueber

Golf

Golf season has always been a good time and this year was no different. With only three returning starters and five new freshmen, this season was used for rebuilding. Everyone gave one-hundred percent and we always had fun. The wins were not where we wanted them to be, but the attitude and effort was. I am going to miss the golf team and the bonding we had on the bus rides home. We have all become really close friends. It was a great season and I am looking forward to returning next year to see how the Weston High School Golf Team is playing. I am proud to have been part of this year's team and I wish them all the best of luck in the upcoming seasons.

GOLF BUDDIES. Friends Joe Iannauzzi, John McCarthy and Keith Goodale enjoy playing golf together on a daily basis throughout the fall season. With the opportunity to play at courses such as Pinebrook Country Club and the Weston Golf Club, the hard hours of work are well worth it to these boys.

SETTING UP FOR THE PERFECT SWING. Brett Yogel positions his club perfectly so that he can be assured a great shot. He has been a crucial member of the golf team throughout high school and will be missed next year.

Boys Soccer

"To learn, you have to listen. To improve, you have to try."
- P. Johnson.

This quotes sums up the Boys' Soccer season perfectly. With thirteen seniors and a new coach, the team appeared to be headed down the right track. And although the victories were few, Coach Capobianco and the seniors blazed the trail for underclassmen to follow toward success.

Preparation and effort were themes for this year and the team always gave 100% effort and arrived at every practice and game prepared for the challenge.

The team's consistent hard work and positive attitude have turned around the Weston soccer program and success in future years will undoubtedly occur.

Although their record wasn't impressive, the boys learned huge amounts, made great memories and put forth consistent effort, which made this season a huge success.

SENIORS SAY CHEESE! These seniors have been playing together for years. The leadership that they all contributed to the team will be greatly missed next year.

I'M OPEN! Chuck Cormay awaits a pass from his teammate up the field and the opportunity to score a goal.

Girls Soccer

It's not the size of the cat in the fight, it's the size of the fight in the cat.

The Girls Soccer team did extremely well this year. They finished with an 11-10-2 record, the first winning record in three years. The team won against Georgetown and Marian to reach the North Sectional Semi-Finals where, despite a strong showing from all the girls, they lost to the #1 seed, Marblehead.

The team's record, however, does not reflect the true strength of the 2002 Wildcats. They were able to play through great adversity without giving up. Injury plagued the team, but players were willing to vary their positions and in order to meet the needs of the team. The girls always went onto the field ready to play their hardest against all odds.

Girls, this was truly a wonderful season. You all stepped up when the team most needed it and made this season worth all of the work of practices. Keep up the hard work and commitment. And good luck next year!

Boys' Basketball

As our record displays, the Weston Boys' Basketball season did not go as we would have planned. With a number of close games and very many two or three point losses, we had to work hard for every victory.

Each player on the team worked in practice, contributed to every game and created a team that will never be forgotten. Every player improved this season by leaps and bounds and we want to thank our coach, Coach Finnegan, for pushing us to our limit. There was a lot of talent on the team that will give us an advantage next year.

Hopefully, the team will overcome the troubles we experienced this year and be able to put all of the pieces together next year.

Out to Suprise Everyone

Girls' Basketball

After a tough season last year, we felt that this year was our year to come back and show that we were going to be a hard team to beat. Our season started off very strong, with a win at the annual Watertown Tournament. All members brought their individual skills together to create a powerful team. The five senior captains provided leadership, dedication, and a lot of fun to the team. This seasons success focuses around the amazing efforts of each and everyone of them. As the season progressed, we saw huge wins against rival teams such as Boston Latin and Westford Academy. With great accomplishements such as these, we completed our regular season with a record of 14-6. Tournament loomed ahead, and Marblehead was our match. Unfortunately, they ended our season of triumph and glory. Although our season ended earlier than we had hoped, we still had the best girls' record ever at Weston High School, 14-7, and we all came out of the season with lots of new friends and memories. Good luck next year girls, keep playing your game!

VISION OF THE COURT. Jenny Fernandez, running the point, looks to pass it in to her strong post teammates.

BASKETBALL BUDDIES. Andrea Posa, Anna Spencer and Emily Curtis really came together this season as close friends.

Swimming

Riding High

This past year the Red Tide was extremely successful. The boys team, led by captains, Eric Butts, Paul Kwak and Dave Warren, won their fifth consecutive state title. DCL champions and second to Chelmsford at the Sectional meet the boys made great improvements over the season. Depth and consistency was what counted and divers, Harry Berg and Jess Friedman were always looked to for some extra points. Highlighting the boys season was a win over St. John's Prep in the dual meet. The GLOWS had an amazing season too. Led by tri-captains Bridget Appe, Alison Armour and Maureen O'Brien they were undefeated in all dual meets. Hard work from seniors Jen Gerber, Amy Gilman, Alison Leblanc, Emma Nilsson, Cathy Symmonds and Courtney Wetmore helped to bring such success. Winning their 6th consecutive DCL Championship title they also captured first place at North Sectionals and produced the first All American relay at States consisting of, Eliza Butts, Stutius Simeone and Appe. We would like to thank Folz, Valz, Rick and Coach Benson for their excellent coaching and support. Good luck next year Tide!

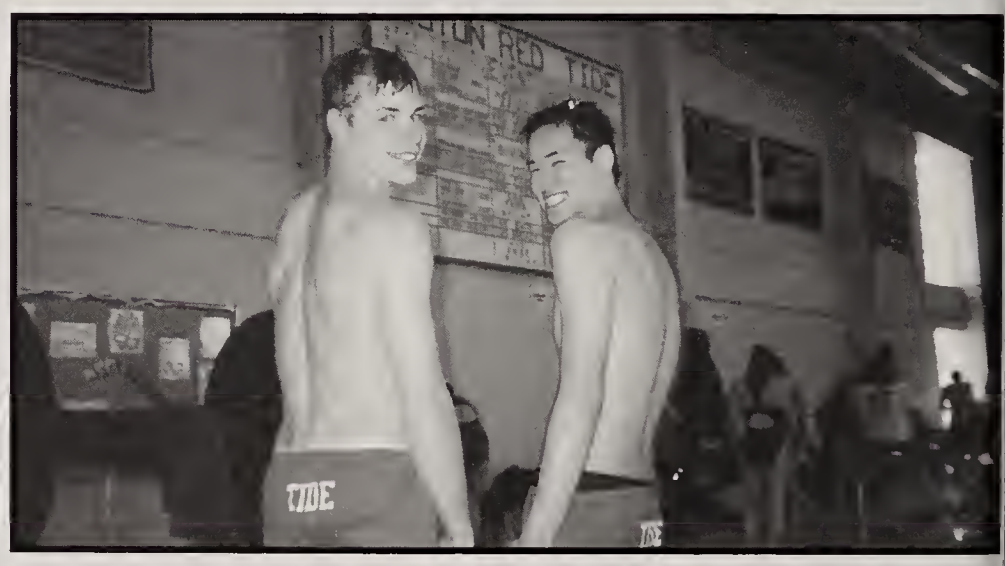
SWIM BUDDIES. Camille Abelson, Elise Patterson and Erica Stutius relax while waiting for their heat. Over the past three seasons, these three juniors have become great friends.

FOLEY WISDOM. The girls' team gathers to listen to the wise advice of their revered coach while warming up for a meet.

"We have really come together as a team this year. I think we work really well together and I am so glad to be a part of the success."

-Allison Simeone

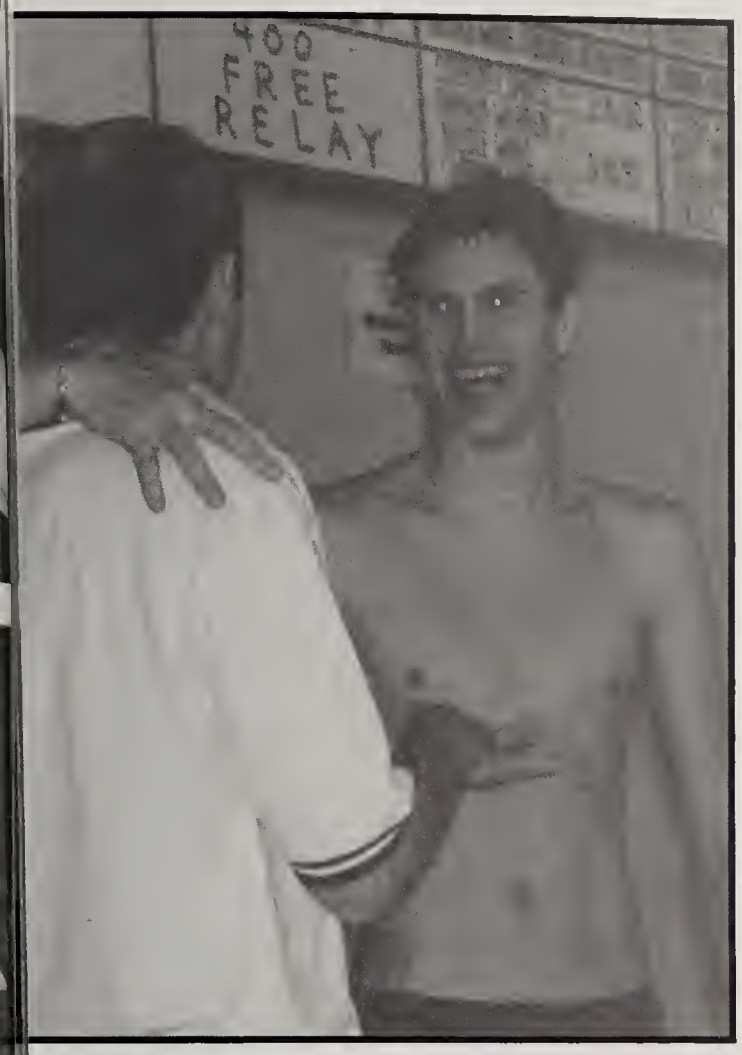
TAKING A BREATHER. Jen Young, Emma Nilson, Allison Simeone, and Eliza Butts take a break during an exhausting Red Tide practice. The four girls made up an essential part of the team contributing serious points.



THOSE ARE SOME HOT SHORTS. Dave Warren and Paul Kwak, fooling around on the deck, show off their drag suits to the camera.

OUT OF THE BLUE. Although not a breaststroker, Eric Nilsson really came out strong this season. He will be a great asset to the team in the next two years.

RECEIVING RECOGNITION. Eric Butts, giddy with enhusiasm, is congratulated by Coach Valle after winning a crucial race.



FOUR GOOD YEARS. Jennifer Gerber has put in a great amount of time and commitment throughout her four years of swimming and will be missed next year.

STAYING FOCUSED. Allison Simeone comes up for a breath of air and concentrates on reaching the wall with a strong finish.

Keeping the Pace

Indoor Track

As a whole, our team did not pull off as many wins as we would have liked, but individually, many people succeeded in achieving their goals. The underclassmen really stepped it up this year, making up for the lack of numbers on the team. The highlight of the girls' season was placing second out of thirty-two teams at the Class D State Championship Meet. In that same meet, the boys' four by eight hundred relay rose to the occasion placing in the top ten. Leadership from the girls' captains, Colleen Ferguson, Ali Boyle, and Christianna Glenn, and from the boys' captains, Phil Katz, Rick McMullen, and Matt Dallos really helped the team through its season this winter. For the boys, Phil Katz shined in the hurdles and Chris Ecker dominated the long distance events. On the girls' side, Kaitlin Machen, Allison Ritter, and Mary Abraham all proved to be some of the fastest runners in the state at the Class D State Championship Meet.

TRUE TEAM MEMBERS. Allison Ritter, Rachel Gordon, and Courtney Schopfer have been strong contributors to the girls' team this season.

LAST SEASON. J.J Hearty, Phil Katz, Rick McMullen, Matt Venables, Colin Oberg, and Colin Igoe are sad that their times here on the Weston Indoor Track team will soon come to a close.

WARMING UP. Ali Boyle would never pull a muscle, she always makes sure to stretch and warm up before her races.

INSTRUCTIONS FOR THE DAY. Coach Maguire, Matt Dallos and Mary Abraham discuss the day's plan and talk about how hard they need to work in order to be ready for upcoming competitive meets.

Wrestling

Another Season of Excellence

In the 2002-2003 season, the team yet again featured the excellent characteristics of the Weston Wrestling program. Led by senior quad captains, Kris Cook, Matt Huttner, Jean-Sebastien Cagnioncle and Peter Orth, the Wildcats wrestled their way to an undefeated season, defeating rival Wayland for the first time in over four years.

In addition to the unblemished Dual Meet record, the Cats also brought home a victory at the Natick Tournament, as well as a strong second place showing at the Hopkinton Tournament, defeating over thirty-five other teams from around the state. Not content with winning only in Massachusetts, the team traveled to grapple with New Hampshire's best, earning 3rd place honors at the infamous Capital City Classic in Concord, NH.

The season of success is owed to the tremendous depth of the team, with varsity talent ranging from sophomores John McCarthy and Kevin To, to experienced juniors such as Aaron Horowitz and Watson Sallay. With so many skilled underclassmen the team can look forward to continuing and surpassing its legacy of greatness in the years to come.

UP FOR THE CHALLENGE. Steve Ryan stays strong throughout his match even though he has taken the challenge of moving up a weight class.

FIGHT TO THE FINISH. Peter Orth is ready to continue a tiring match against a tough Pentucket opponent.

styles and trends

What's popular in 2003?

The styles and trends throughout Weston High school were based upon what you were wearing. Burberry was in this year as both boys and girls sported scarves, jackets and hats with that famous plaid. North Face was not too far behind however, as the black fleece took the number one spot for popularity again. Shoes were a big item this year, whether stolen or bought the bowling shoe was in as were those pointy-toed heels and boots.

Wonka here is your Congratulations,
You had enough patients,
No matter how many citations,
And visits to the station,
You finally accomplished,
High school domination,

You went from a liquid to a solid,
Gaining a mind full of knowledge.
Now your going to college
Don't forget to acknowledge,
Ur bro,
Cause u know,
I got love 4 show,

Remember the cape dock,
At 5 am,
That was mad fun,
We should do it again,

Remember when u choked on your umbilical cord?
Or when we went surfing with a buggie board?
At Faye we was always bored,
I pull out my recorder and hit record,

We would just rhyme,
Speaking our minds,
Crossing forbidden lines,
Nothing was a waste of time,

We'd sit on a corner,
Selling lemonade,
It was homemade,
And at the end of the day,
We'd get paid,
Hurray,

We made 2 dolla's
Split it in half,
We still ballas,
You know,

Remember when I took your senior pic,
or when we went camping,
And met that dude Rick,

Without our memories,
We'd forget about,
Driving with Emory,
Away from that Wayland party,
And all tough tartys,

Without our memories,
What would we be?
The only time u beat me up,
Was when I was 3,
Months,
we so darn blunt.

You'll be my boy forever,
No matter what's weather,
Were just to clever,
We can't be severed.

We been Dubz and Wonka,
Since toka toys,
One day you'll be in the shoty,
Of my Rollz Royce,

When you leave,
Your bed will stay empty,
Until your home or I'm twenty,

There is no for a replacement,
Remember bro,
Your living in my basement!

GOOD LUCK KID

Once there was a wonderful and magical kingdom, horded over by a two-year-old prince name Nat, until one day an evil princess names Alexandra invaded it. For years the young prince waged war on the poor girl, cruelly abusing her, yet, for naught. The infantile invader had full support of both king and queen and Prince Nat's attempts at purging his kingdom ceased. In time the prince reluctantly agreed to share the king and queen's attention with his new rival. As the two grew older, so did their fighting. Merciless near-death contests became a constant battle of wit where Pince Nat found himself sorely outmatched. Fleeing in terror, the prince left for college while Princess Ali inherited the kingdom and all the attention of both the king and queen, all the time. And she hates it. As she hastily plans her own escape to college, she wonders, "Was this all worth fighting over?" Well, probably not Al, but it sure was a childhood of fun! You've been turning over new leaves all your life and now you're uprooting the tree. It's kind of funny having a baby sister to look up to. You're really great at everything you do, and you do so much. Just remember to find ways to stay young, and that everything works itself out. I love you always. Always.

The credit belongs to the one who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiently, who errs and comes up short again and again; who knows the greatest enthusiams, the great devotions, and spends herself in a worthy cause; who, if she suceeds, knows in the end the triumph of high achievement; and who if she fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat."

Through so much, with such grace...eyes now bright and forward looking. Triangles, gear shifts, cows and More. Playing hard, loving well, creating beauty in song and color. Enriching lives as friend, sister, daughter, grandaughter...and citizen of the world. The shaping of a young mind is a privilege to behold. Now travel well, as well you will... with all our love forever bound.

Love, Mom, Dad, Erika, and Anabel.

"We make a living by what we get. We make a life by what we give." —Winston Churchill

Dig,
You are boundless! While you have begun your life in a way that is hallmarked by enthusiasm, courage and love, I know that you still have only scratched the surface of all that you are capable of. As you graduate, you now have the opportunity to take your optimism and empathy and simply widen your circle, with the gratitude of all you touch. Congratulations on your accomplishments and thank you for being a sister I can look up to! I love you always —Kate

Maggie,
You have the biggest heart of anyone I have ever known. If you let your heart show you the way you shall some day be blessed with supreme happiness and contentment. I am truly blessed and so very proud to be you brother. Good luck and be strong.
Love, Quinn

Kind, compassionate, generous, loving, funny, a fabulous sister, a trusted friend, animal lover, puzzle-solver aficionado, a good cook, a great mind, environmentalist, inquisitive, outspoken, always for the underdog, a tough debater — these are all words that describe our Maggie -– these are also all the attributes that will get you very far in life. Give it all you've got Mags!!! We love you more than we can ever express,
Mom & Dad

Digger,
Congratulations! You've proven to us how much you're capable of - I now want you to go out and show the world! It's there for you I can't wait to see what you do with it. I know everyone will be as impressed as I am. Your beauty, intelligence and love continue to amaze me. Keep up the strong work in all you do. I love you and am tremendously proud.
Love, Meredith

Maggie,
Your journey is not ending, it is just beginning!!
Best wishes and LOTS OF LOVE,

Mikey and Michele

Marge,
Words don't explain how proud I am of you. You have kept your head up through your journey and now that it's over you have so many opportunities and dreams to conquer. I cherish the friendship that we have and can't begin to explain how lucky I am to have a little sister with the heart the size of yours. May the wind be at your back, Maggie, because everyone knows that you're the wind behind mine. I love you to the stars and back and good luck in whatever next year brings.
Kelbs, (eyes closed and playing dead)
